

J. E. DUFFY, Sworn for the State. I am the father of J.E. Duffy. About one months ago I was walking home from the Southern Railroad yards with L. P. Eubanks and L. P. Eubanks said me: "We are letting your son, J. E. Duffy, have money, and we are taking his notes for it, but that don't make any difference. He will not have to pay it back."
